

REGENCY TOWERS

May 4, 2011

To whom it may concern,

The Regency Towers Condominium located at 1600 Via De Luna Drive on Pensacola Beach is equipped with an active central station monitored fire alarm system in both our East & West towers. Each individual condominium unit is equipped with multiple smoke detectors and an audible alarm connected to the main fire alarm system. The main fire alarm system and each of the audible alarm speakers are inspected annually.
