

Insurance Information

As you know, insurance is a volatile topic in Florida. As such, our association's insurance agency is located in Pensacola and would be happy to answer your questions regarding your personal unit owner insurance. Many of you have already worked with the Jay Newman Insurance Agency for your personal needs, but if you haven't and you're not sure, or have questions regarding your current insurance situation, their contact information is as follows:

Jay Newman Insurance

The Jay Newman agency represents different insurers that should be able to suit your individual needs.

Additionally, if your mortgage company is requesting a certificate (or "proof") of the association's coverage, you may contact Mr. Newman's office above. The preferred method is to fax them your letter from the mortgage company so they have the necessary information. Please include your unit number if not referenced on the mortgage company request for the insurance information. The insurance agency usually completes the request within one business day.
